ABOUT AQGP

AQGP is a **non-profit organization** governed by a **volunteer board of directors** composed of representatives from member companies. We represent **over 80 responsible and professional companies** providing **pest management products and services**. Our members play a vital role in **protecting public and private health and property in Quebec** by preventing and controlling pest issues.

OBJECTIVES

- Promote standards and a Code of Professional Practices for the pest management industry.
- Promote research and the dissemination of technical information through press releases and training days for members.
- Collaborate with government authorities for the benefit of the community and the industry.

AQGP IN NUMBERS

96 active members in 2026

483 participants at the 2025 AQGP Annual Conference:
- **247** in person
- **236** virtually

361 members in the Facebook group

87 followers on LinkedIn
